Note: 1. Request to defer an admission will be reviewed on a case-by-case basis and may be granted for reasons including illness, military service and other particular reasons/accidents. Please confirm that you have already submitted your notarized diploma and transcript in English or Chinese to office of global affairs at NTHU before the admission deferment. 2. If necessary, the new students could apply for admission deferment before their registration. After approved by the division of registration, students can be admitted in next academic year or next semester. The longest period of the deferment is one year. With proof of medical condition or other related certificates, students who suffer from illness for prolonged period could extend the deferment and be admitted in the very next semester or the second academic year after his/her first deferment. 3. Applications without necessary supporting documents will not be accepted. Proof of medical condition shall be at least issued by regional hospitals. 4. Requests for deferrals must be put in writing and sent via postal mail. Please send the completed application form and supporting documentation for reasons of the deferment to the division of registration. 5. The application starts from July 1st to Aug 30th for the fall semester, and from Jan 1st to Jan 31th for the spring semester. The result will be informed by e-mail.
